## MESSAGE FROM THE PRINCIPAL

*I sincerely express my gratitude that Govt Hnahthial College has once again entered our new academic session of 2024-2025. To provide new beginnings in education and social and cultural knowledge has always been our motive. For this, we, the faculty and staff are also fully prepared and devoted to guide all aspiring students for the best education and co-curricular experience through not only classroom teaching, but also through our various units like N.S.S., N.C.C., Adventure Club, Eco Club, E.U. and Red Ribbon Club.*

*Utilising and abiding to our motto, "Utmost for the Best" is an important endeavour for not only our students, but for the faculty and staff of the college, as education is an all-encompassing process. Therefore, the educational experience which we have provided here is a collective effort where all have a place to grow and to develop into better individuals and esteemed citizens of the society where each and every one of us has, and will try our utmost to achieve the best out of all our lives sincerely and whole heartedly.*

*The college is committed to the philosophy of the National Education Policy (NEP) 2020 which will be implemented through Mizoram University's Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022).*

*I welcome the students of batch 2024-2025 and congratulate them on their success. I convey my best wishes to all the students and staff of our college for the upcoming academic session. May God bless each and every one of you in all your walks of life.*

*God bless Government Hnahthial College*

## ABOUT THE COLLEGE

Conveniently located at the northern tip of Hnahthial Town, in an exotic hill slope with varieties of evergreen fruit bearing trees, flowering plants and bamboos, Hnahthial College was established on 20<sup>th</sup> July, 1979. It has a spacious Campus covering 268.86 bighas (89 acres) of land allotted by the State Government.

Founded by the Hnahthial populace with an eye to the future, the College, since its inception, has committed itself to provide quality education to the youth. The College is constantly upgrading and reinventing itself to the needs and opportunities brought about by the evolving global trends. It aims to educate the students to become the future backbone of the society.

The College is granted permanent affiliation to Mizoram University in 2005 and is recognized by the University Grants Commission (UGC) under 2(f) and 12(B) of the UGC Act on 17<sup>th</sup> November, 2006. In 2022, NAAC accredited the college with B Grade.

## **CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES (CCFUGP) 2022**

In accordance with the NEP 2020, the UGC has formulated a new student-centric “Curriculum and Credit Framework for Undergraduate Programmes (CCFUGP)” incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options which will facilitate students to pursue their career path by choosing the subject/field of their interest.

The new student-centric CCFUGP of UGC introduces holistic and multidisciplinary undergraduate education that would help develop all capacities of human beings – intellectual, aesthetic, social, physical, emotional, ethical, and moral – in an integrated manner; soft skills, such as complex problem solving, critical thinking, creative thinking, communication skills; and rigorous specialization in a chosen field(s) of learning.

The UG curriculum consists of the following components:

### **i. Major Stream Courses**

These are the disciplines or subjects of main focus which provide the opportunity for students to pursue in-depth study of a particular discipline or subject and the degree will be awarded in that discipline. Students should secure at least 50% of the total credits in the major discipline. All major courses will be of 4 credits each.

### **ii. Minor Stream Courses**

Minor courses help the students to gain broader understanding beyond the major disciplines. Students will have the option to choose other disciplinary/interdisciplinary course and skill-based courses relating to a chosen vocational education programme as minor. Students who take prescribed number of courses in a discipline or interdisciplinary area of study other than the chosen major will qualify for a minor in that discipline or the chosen interdisciplinary area of study. All minor courses will also be of 4 credits each.

**iii. Multi-disciplinary Courses**

All students are required to undergo three introductory-level courses relating to any of the following broad disciplines. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education. Students are not allowed to choose courses already taken at higher secondary level in the proposed major and minor stream under this category. All courses under multidisciplinary will be of 3 credits each.

**iv. Ability Enhancement Courses (Language and Communication Skill Courses)**

Students are required to achieve competency in Modern Indian Language (MIL) and in English language with special emphasis on language and communication skills. The courses aim at enabling the students to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help students articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity. They would also enable students to acquaint themselves with the cultural and intellectual heritage of the chosen MIL and English language, as well as to provide a reflective understanding of the structure and complexity of the language/literature related to both the MIL and English language. The courses under this category will be assigned 3 credits.

**v. Skill Enhancement Courses**

These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of students. Courses will be designed as per students' needs and available institutional resources. Each of the Skill Enhancement courses will be assigned 3 credits.

**vi. Value Added Courses**

These are courses common to all UG students. All UG students are required to take the following courses under the category of value-added courses. Each course under this category will be of 2 credits.

- **Universal Human Values:** This introductory level course aims at helping the students to become more aware of themselves and their surroundings (family, society and nature. The course is also expected to help the students to become more responsible in life, and in handling problems with sustainable solutions while keeping human relationships and human nature in mind.
- **Understanding India:** The course aims at enabling the students to acquire and demonstrate the knowledge and understanding of contemporary India with its historical perspective, the basic framework of the goals and policies of national development, and the constitutional obligations with special emphasis on constitutional values and fundamental rights and duties.
- **Environmental Science / Education:** The course seeks to equip students with the ability to apply the acquired knowledge, skills attitudes, and values required to take appropriate actions for mitigating the effects of environmental degradation, climate change, and pollution, effective waste management, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development and living.
- **Health & Wellness, Yoga Education, Sports, and Fitness:** Course components relating to health and wellness seek to promote an optimal state of physical, emotional, intellectual, social, spiritual, and environmental well-being of a person. Sports and fitness activities will be organised outside the regular institutional working hours. Yoga education would focus on preparing the students physically and mentally for the integration of their physical, mental, and spiritual faculties, and equipping them with basic knowledge about one's personality, maintaining self-discipline and self-control, to learn to handle oneself well in all life situations. The focus of sports and fitness components of the courses will be on the improvement of physical fitness including the improvement of various components of physical and skills-related fitness like strength, speed, coordination, endurance, and flexibility; acquisition of sports skills including motor skills as well as basic movement skills relevant to a particular sport; improvement of tactical abilities; and improvement of mental abilities.
